Alcester Police SNTs. Latest Weekly Report. Sunday 15th June 2025

Based at Alcester Police Station, The Safer Neighbourhood team's primary roles are around crime prevention, problem solving both long standing or emerging issues of community concern and community engagement. We are supported at Alcester by colleagues from Patrol teams whose role is to respond to incidents and investigate crimes that occur in the area 24/7. The SNT is supervised by Inspector Hembry who leads on Neighbourhood Policing for Stratford District and Sgt Ebbs who also oversees neighbourhood Policing in the Shipston on Stour area. The Alcester SNT currently consists of 2 Police officers and 5 Police Community Support Officers, and our contact details are shown above.

Hello all.

This is our latest combined weekly report and prompt to see if you have any questions, suggestions or concerns for the Alcester Police Safer Neighbourhood Teams. Thank you to those that have contacted the Teams this week. If you would like to be removed from this local email circulation list, please let me know asap. This report will also be sent out on the Warwickshire Connected alert system.

For operational and privacy reasons not all the incidents that occur on the Alcester area are listed in this report, although they are recorded on police systems. Please remember to report any anti-social behaviour, suspicious activity or crimes to us as soon as possible - this can be done via the 101 and 999 telephone numbers or if not an emergency via our online reporting forms that can be found on our website. If you have any information or cctv footage that may relate to the incidents listed, please contact us.

Reporting incidents to the police

Social media and messaging apps have become a useful tool in letting people know of crime, suspicious behaviour and anti-social behaviour etc to neighbours, friends and local community groups **BUT** we definitely would like to know first.

Time and information can be crucial in determining the correct response to an incident. There is also the possibility that offenders and evidence could be lost.

Our advice is – Contact us first, then consider your social media response.

Vigilance warning after sports club burglary – Welford on Avon

Our Stratford Safer Neighbourhood Team Inspector is urging local sports clubs to be vigilant after silver trophies were taken from a club in Welford-on-Avon on Friday

At around 3.50am, two unknown offenders are understood to have pulled into a car park on Mill Lane. One stayed in a grey/silver SUV-style car, which had its licence plate covered, while the second suspect walked round the side of the building before forcing entry inside and taking the trophies.

Insp Jake Kibblewhite said: “Enquiries are ongoing and we’re keen to hear from anyone who might have seen anything.

“Although this appears to be a one-off incident, I’d like to take this opportunity to remind other clubs in the area to be extra vigilant with their security.

“Please make sure you’re locking all the doors/windows and if you have CCTV, that it is switched on at all times.

“Equally, if you witness any suspicious activity or something doesn’t seem right, please let us know.”

Anyone with information is asked to get in touch either via our website or by calling 101, quoting incident number 40 of 13 June.

CRIMESTOPPERS

We're an independent charity that gives you the power to speak up to
stop crime, 100% anonymously.

Whoever you are, wherever you live, from communities to companies.

By phone and online, 24/7, 365 days a year.

We also share advice on how to protect the people you care about from crime, so
everyone can feel safe.

After receiving your call or a completed anonymous online form, we create a report
that brings together all the information you gave us, making sure it doesn't contain
any information that could identify you.

Your report is sent to the relevant authority with the legal responsibility to investigate
crimes, make arrests and charge people in order to bring them to justice. This could be
your local police force or an agency such as the UK Border Agency or HM Revenue &
Customs.

There may be times when information received by Crimestoppers is passed on to
our trusted partner organisations. Crimestoppers will only share this information to
help keep communities and workplaces safe.

Research

Our research confirms that nearly a fifth of the public have known about a crime but
chose not to talk to the police (according to insights drawn from various research
projects commissioned by Crimestoppers).

Some of the reasons for people not speaking out include:

- I do not want to talk to the police.
- I need to report someone I know.
- I am worried that others will know if I speak out.
- I am not sure if what I know will help.
- I do not want to get involved with courts.
