## Alcester Police SNTs. Latest Weekly Report. Sunday 4<sup>th</sup> May 2025

Based at Alcester Police Station, The Safer Neighbourhood team's primary roles are around crime prevention, problem solving both long standing or emerging issues of community concern and community engagement. We are supported at Alcester by colleagues from Patrol teams whose role is to respond to incidents and investigate crimes that occur in the area 24/7. The SNT is supervised by Inspector Hembry who leads on Neighbourhood Policing for Stratford District and Sgt Ebbs who also oversees neighbourhood Policing in the Shipston on Stour area. The Alcester SNT currently consists of 2 Police officers and 5 Police Community Support Officers, and our contact details are shown above.

Hello all.

This is our latest combined weekly report and prompt to see if you have any questions, suggestions or concerns for the Alcester Police Safer Neighbourhood Teams. Thank you to those that have contacted the Teams this week. If you would like to be removed from this local email circulation list, please let me know asap. This report will also be sent out on the Warwickshire Connected alert system.

For operational and privacy reasons not all the incidents that occur on the Alcester area are listed in this report, although they are recorded on police systems. Please remember to report any anti-social behaviour, suspicious activity or crimes to us as soon as possible - this can be done via the 101 and 999 telephone numbers or if not an emergency via our online reporting forms that can be found on our website. If you have any information or cctv footage that may relate to the incidents listed, please contact us.

### **Reporting incidents to the police**

Social media and messaging apps have become a useful tool in letting people know of crime, suspicious behaviour and anti-social behaviour etc to neighbours, friends and local community groups **BUT** we definitely would like to know first.

Time and information can be crucial in determining the correct response to an incident. There is also the possibility that offenders and evidence can be lost.

**Our advice is – Contact us first, then consider your social media response.**

## Neighbourhood Watch

Neighbourhood Watch is about people getting together with their neighbours to take action to reduce crime.

They're community initiatives owned and run by their members which are supported by the police but not owned by them, although we sometimes run them.

They work by developing a close relationship between community members and the local police.

Neighbourhood Watch schemes can:

- cut crime and the opportunities for crime.
- help and reassure those who live in the area.
- encourage neighbourliness and closer communities.

### How to join a Watch scheme

Go to Neighbourhood Watch to find out what groups are active in your area and to register to join.

You can also find and contact your local Neighbourhood Watch Association or Scheme Coordinator via the same website for: <https://www.ourwatch.org.uk/>

- more information on how the scheme works.
- the benefits of the scheme
- advice on running a scheme in your local area.

## Other ways to get involved and help your community.

### Volunteer for Crimestoppers

Join the hundreds of volunteers who are already helping this independent crime-fighting charity. You could find yourself involved in anything from organising fundraising dinners to developing a publicity campaign to catch criminals in your area.

### Volunteer with the police.

All forces around the country have volunteer roles. You could be working alongside us in everything from supporting victims of hate crime to managing community events and talking to schools and local businesses. Volunteers provide crucial support to us and work in their own time and with their own community.
