Alcester Police SNTs. Latest Weekly Report. Sunday 25th May 2025

Based at Alcester Police Station, The Safer Neighbourhood team's primary roles are around crime prevention, problem solving both long standing or emerging issues of community concern and community engagement. We are supported at Alcester by colleagues from Patrol teams whose role is to respond to incidents and investigate crimes that occur in the area 24/7. The SNT is supervised by Inspector Hembry who leads on Neighbourhood Policing for Stratford District and Sgt Ebbs who also oversees neighbourhood Policing in the Shipston on Stour area. The Alcester SNT currently consists of 2 Police officers and 5 Police Community Support Officers, and our contact details are shown above.

Hello all.

This is our latest combined weekly report and prompt to see if you have any questions, suggestions or concerns for the Alcester Police Safer Neighbourhood Teams. Thank you to those that have contacted the Teams this week. If you would like to be removed from this local email circulation list, please let me know asap. This report will also be sent out on the Warwickshire Connected alert system.

For operational and privacy reasons not all the incidents that occur on the Alcester area are listed in this report, although they are recorded on police systems. Please remember to report any anti-social behaviour, suspicious activity or crimes to us as soon as possible - this can be done via the 101 and 999 telephone numbers or if not an emergency via our online reporting forms that can be found on our website. If you have any information or cctv footage that may relate to the incidents listed, please contact us.

Reporting incidents to the police

Social media and messaging apps have become a useful tool in letting people know of crime, suspicious behaviour and anti-social behaviour etc to neighbours, friends and local community groups **BUT** we definitely would like to know first.

Time and information can be crucial in determining the correct response to an incident. There is also the possibility that offenders and evidence could be lost.

Our advice is – Contact us first, then consider your social media response.

Whoever you are, wherever you live, from communities to companies.

By phone and online, 24/7, 365 days a year.

We also share advice on how to protect the people you care about from crime, so everyone can feel safe.

After receiving your call or a completed anonymous online form, we create a report that brings together all the information you gave us, making sure it doesn't contain any information that could identify you.

Your report is sent to the relevant authority with the legal responsibility to investigate crimes, make arrests and charge people in order to bring them to justice. This could be your local police force or an agency such as the UK Border Agency or HM Revenue & Customs.

There may be times when information received by Crimestoppers is passed on to our **trusted partner organisations**. Crimestoppers will only share this information to help keep communities and workplaces safe.

Research

Our research confirms that nearly a fifth of the public have known about a crime but chose not to talk to the police (according to insights drawn from various research projects commissioned by Crimestoppers).

Some of the reasons for people not speaking out include:

- I do not want to talk to the police.
- I need to report someone I know.
- I am worried that others will know if I speak out.
- I am not sure if what I know will help.
- I do not want to get involved with courts.
