## Alcester Police SNTs. Latest Weekly Report. Sunday 23<sup>rd</sup> February 2025

Based at Alcester Police Station, The Safer Neighbourhood team's primary roles are around crime prevention, problem solving both long standing or emerging issues of community concern and community engagement. We are supported at Alcester by colleagues from Patrol teams whose role is to respond to incidents and investigate crimes that occur in the area 24/7. The SNT is supervised by Inspector Hembry who leads on Neighbourhood Policing for Stratford District and Sgt Ebbs who also oversees neighbourhood Policing in the Shipston on Stour area. The Alcester SNT currently consists of 2 Police officers and 5 Police Community Support Officers, and our contact details are shown above.

Hello all.

This is our latest combined weekly report and prompt to see if you have any questions, suggestions or concerns for the Alcester Police Safer Neighbourhood Teams. Thank you to those that have contacted the Teams this week. If you would like to be removed from this local email circulation list, please let me know asap. This report will also be sent out on the Warwickshire Connected alert system.

For operational and privacy reasons not all the incidents that occur on the Alcester area are listed in this report, although they are recorded on police systems. Please remember to report any anti-social behaviour, suspicious activity or crimes to us as soon as possible - this can be done via the 101 and 999 telephone numbers or if not an emergency via our online reporting forms that can be found on our website. If you have any information or cctv footage that may relate to the incidents listed, please contact us.

## NEIGHBOURHOOD WATCH

Making your community a better place  
to live. Together.

<https://www.ourwatch.org.uk/>

Neighbourhood Watch is the largest volunteer-led crime prevention charity in England and Wales. With over 60,000 active volunteers and over 2 million supporter households, we work across local communities and regions to empower and educate people, as well as to bring communities together. Each regional area is divided into Force areas, which means the areas covered by the police forces and locally is as local as your street or the building you live in. In each area, whether it be nationally, regionally, or local, we all have the same vision, mission, and values.

On a national level, Neighbourhood Watch is supported by the Central Support Team and Board of Trustees. On a regional level, Associations will support Neighbourhood Watch, and these are led by local people, volunteering their time to support our movement.

On a local level, Neighbourhood Watch groups are run within communities by local volunteer Coordinators. Local Neighbourhood Watch schemes work in a variety of ways that reflect the needs of the local community. This includes sharing crime prevention advice and information; running awareness campaigns; holding social events and awards for local people and businesses; leading community projects, such as litter picks, a community café, flood defence response, presentations in schools and work with young people and children and community messaging with the police.
