Based at Alcester Police Station, The Safer Neighbourhood team's primary roles are around crime prevention, problem solving both long standing or emerging issues of community concern and community engagement. We are supported at Alcester by colleagues from Patrol teams whose role is to respond to incidents and investigate crimes that occur in the area 24/7. The SNT is supervised by Inspector Hembry who leads on Neighbourhood Policing for Stratford District and Sgt Ebbs who also oversees neighbourhood Policing in the Shipston on Stour area. Alcester SNT currently consists of 2 Police officers and 5 Police Community Support Officers, and our contact details are shown above.

This report will also be sent out on the Warwickshire Connected alert system.

I'm Aadila, I have now teamed up with my colleagues to cover the south of the patch which includes Alcester town, Bidford and the villages within the borders. I have years of experience working within communities and partner agencies to detect and deter crimes, help keep our streets safer and protect the most vulnerable. I have been part of the Warwickshire police family since 2014. In 2022 I also worked with colleagues in West Mercia control room. I know we face a lot of challenges and demands daily, but I can assure you we will always do our utmost best to provide a quality service for our communities and work towards sustainable resolutions. People want to see a police presence to keep our communities safe, I strongly believe being visible in the community makes a huge impact and discourages crimes. Please keep an eye out for police surgeries which are held in various locations, to voice your concerns about your area. Let's work together to make Alcester a safer place.
