Alcester Police SNTs. Latest Weekly Report. Sunday 2nd March 2025

Based at Alcester Police Station, The Safer Neighbourhood team's primary roles are around crime prevention, problem solving both long standing or emerging issues of community concern and community engagement. We are supported at Alcester by colleagues from Patrol teams whose role is to respond to incidents and investigate crimes that occur in the area 24/7. The SNT is supervised by Inspector Hembry who leads on Neighbourhood Policing for Stratford District and Sgt Ebbs who also oversees neighbourhood Policing in the Shipston on Stour area. The Alcester SNT currently consists of 2 Police officers and 5 Police Community Support Officers, and our contact details are shown above.

Hello all.

This is our latest combined weekly report and prompt to see if you have any questions, suggestions or concerns for the Alcester Police Safer Neighbourhood Teams. Thank you to those that have contacted the Teams this week. If you would like to be removed from this local email circulation list, please let me know asap. This report will also be sent out on the Warwickshire Connected alert system.

For operational and privacy reasons not all the incidents that occur on the Alcester area are listed in this report, although they are recorded on police systems. Please remember to report any anti-social behaviour, suspicious activity or crimes to us as soon as possible - this can be done via the 101 and 999 telephone numbers or if not an emergency via our online reporting forms that can be found on our website. If you have any information or cctv footage that may relate to the incidents listed, please contact us.

Incidents of a public interest from the last week: -

ALCESTER

- Suspicious Circumstances. Fields Park Drive. Males with face covering seen outside house with possibly a relay device in order to try and steal a vehicle. This was unsuccessful. They left in a dark coloured hatchback. 12.35am Thursday 27th February. 0009 27/02/2025. See vehicle crime in Great Alne.

This newsletter is not intended to record a comprehensive list of every reported crime in the area but includes crimes and incidents that the local community should be aware of. Staying vigilant and working together with the police and your local community keep crime out of your area.

Alcester continued.....

- ASB. Jubilee Fields / Conway Fields. Report of three off motorcycles on the fields causing a nuisance. 3.15pm Tuesday 25th February. 0364 26/02/2025

GREAT ALNE

- Vehicle Crime. School Road. Grey Ford Ranger stolen without key. Probably a relay theft. 12.40am Thursday 27th February. 0057 27/02/2025

BIDFORD

April = Monday 21st 6pm till 6.45pm

June = Monday 30th 6pm till 6.45pm

We've doubled our outcomes on burglary investigations since last year.

In the year from 1 February 2024 to 1 February 2025, we have achieved twice as many positive outcomes on offences of residential burglary when compared to the previous 12 months.

Following the commitment in Oct 2022 by all Chief Constables across England and Wales to attend all burglary residential reports, recent Government statistics show that Warwickshire Police is the best performing force with a 100% attendance rate.

We also charged suspects in 7.1% of burglary investigations in 2024/25, a dramatic improvement against 3% in 2023/24.

This compares to a national average residential burglary charging outcome rate of 6.2%.

In 2023, we launched Operation Defender, which standardised the actions a first responder must consider when attending a burglary report.

This enhanced our ability to capture best evidence and intelligence that is helping us to identify potential suspects as soon as possible.

We have also created three dedicated teams of detectives at three hubs across the county who investigate residential burglaries, allowing us to focus on these crimes in a joined-up and consistent way.

Other actions we are now taking on residential burglaries include:

- Working in collaboration with neighbouring forces to identify and arrest suspects and to identify burglary trends or patterns.
- Ensuring all burglaries are reviewed by a forensic scene investigator to maximise evidence-gathering opportunities.
- Improving our techniques for gathering digital evidence for more solid prosecutions
- Proactively targeting known "chop shops", which break down stolen vehicles for parts.
 - Using targeted patrols in known hotspot areas and patrolling key routes
 - Providing crime prevention advice to all residents in the vicinity of a recent burglary

Chief Constable Alex Franklin-Smith, and national policing lead for burglary said, "The tireless work of our officers and staff to improve how we approach burglary has been paying off, and it is good to see such a sharp rate of improvement over the last twelve months.

"Whilst I am pleased to see Warwickshire Police performing above the national average, we still have much more to do.

"Policing deals with a tremendous amount of demand and whilst I accept burglary is just one crime type, it is one that has a profound impact on victims and local communities.

"That is why we will be relentless in our pursuit to bring more offenders to justice and this positive direction of travel shows that we will come after you if you are involved in this type of criminality."
