How to contact
your local
policing team
and
Neighbourhood
Watch scheme

Your Safer Neighbourhood Team is a group of police officers and police community support officers dedicated to helping your community.

As your local policing team we encourage residents to report any policing issues directly to us.

This enables us to build evidence about issues and priorities for crime prevention and safety in your area.

This leaflet explains how you can contact us.

Call 999 if there is an emergency incident happening right now that needs immediate police presence, if life is at risk, people are injured, offenders are nearby or a crime is in progress.

Report issues **online 24/7** at www.warwickshire.police.uk/ro/report or **call 101** where you do not require an immediate response, including non-emergency collisions and anti-social behaviour.

Report and submit digital footage showing potential moving traffic offences online at www.warwickshire.police.uk/operationsnap

To report speeding, visit <https://warksspeedconcerns.org/>

For road safety concerns including parking, contact roadsafetyeducation@warwickshire.gov.uk

To provide information or intelligence without speaking to anyone, visit: www.warwickshire.police.uk/tua/tell-us-about/

To report something anonymously, contact national charity Crimestoppers via 0800 555 111 or <https://crimestoppers-uk.org/>
