## Alcester Police SNTs. Latest Weekly Report. Sunday 20<sup>th</sup> July 2025

Based at Alcester Police Station, The Safer Neighbourhood team's primary roles are around crime prevention, problem solving both long standing or emerging issues of community concern and community engagement. We are supported at Alcester by colleagues from Patrol teams whose role is to respond to incidents and investigate crimes that occur in the area 24/7. The SNT is supervised by Inspector Jake Kibblewhite who leads on Neighbourhood Policing for Stratford District and Sgt Ebbs who also oversees neighbourhood Policing in the Shipston on Stour area. The Alcester SNT currently consists of 2 Police officers and 5 Police Community Support Officers, and our contact details are shown above.

Hello all.

This is our latest combined weekly report and prompt to see if you have any questions, suggestions or concerns for the Alcester Police Safer Neighbourhood Teams. Thank you to those that have contacted the Teams this week. If you would like to be removed from this local email circulation list, please let me know asap. This report will also be sent out on the Warwickshire Connected alert system.

For operational and privacy reasons not all the incidents that occur on the Alcester area are listed in this report, although they are recorded on police systems. Please remember to report any anti-social behaviour, suspicious activity or crimes to us as soon as possible - this can be done via the 101 and 999 telephone numbers or if not an emergency via our online reporting forms that can be found on our website. If you have any information or cctv footage that may relate to the incidents listed, please contact us.

Incidents of a public interest from the last week: -

### ALCESTER

ASB. Church Street. Group of youngsters in the church yard causing a nuisance. Banging on the bins etc. 1.20am Sunday 20th July. 0028 20/07/2025

### **Hot weather home security**

With the hot weather we're reminding people to keep their homes secure.

In the summer months, unfortunately we do tend to see an increase in burglaries. With doors and windows often being left open, this can present an easy target for thieves.

Here are some simple steps you can take to help protect your property:

- Close and lock all windows and doors before going to bed or leaving your home—even for a short time.
- Use window restrictors that allow ventilation without allowing full access.
- Install motion-activated lights or smart lighting around entry points to deter intruders.
- CCTV or video doorbells can act as both deterrents and valuable evidence.
- Check garden gates and sheds—ensure they are locked, and tools are out of sight as these can be used to gain access to your home.
- Be a good neighbour. If you see anything suspicious, report it to us immediately.
- Find out about property marking schemes such as Smartwater. If an item is marked it will be much harder for a thief to sell on. Also, if recovered, stolen items can then be returned to their rightful owner.

Let's work together to keep our community safe. If you have any concerns, please contact your local neighbourhood policing team.

In an emergency, always call 999. For non-emergencies, call 101 or report online.
