## Operation Sceptre

Operation Sceptre is the National Police Initiative to tackle Knife Crime and it started again for one week from 11<sup>th</sup> to 17<sup>th</sup> of November. School visits were arranged to talk about the dangers of knife crime and the laws about carrying knives and other offensive weapons. Also, to give a general awareness and discuss how to avoid associated risks. Some examples of the visits are shown.

PCSO Carly Davis is shown on the left speaking to year 6 pupils at Weddington Primary School. Then there were role play exercises, helped by PCSO Mark Cox. This helped the children learn how to avoid knives and the associated risks and to make them aware that anyone age 10 or above can be arrested for being in possession of a knife.

At the end of November, Camp Hill Primary's Junior PCSO's completed the final session of their 6-week programme. Shown here with PCSO Davis and PCSO Brooks. They had a great time learning about how the police investigate crime scenes, use forensic equipment and take fingerprints. They will continue to conduct parking patrols outside the school following their graduation, which they are all looking forward to.

## Closure order on Warwick House, Nuneaton, following Anti-Social Behaviour and multiple drug-related deaths

The Nuneaton SNT, working with Nuneaton Borough Council have been successful in obtaining a closure order for Warwick House, a residential property on Bond Gate, Nuneaton. The order, which came into force on 26<sup>th</sup> November, is to prevent disorderly, offensive, or criminal behaviour on the premises; serious nuisance to members of the public; and disorder near the property. Since 2023, there have been five deaths at Warwick House, of which four were confirmed to be drug related.

Inspector Ryan Walker of Nuneaton And Bedworth SNT said “We could not allow Warwick House to continue to operate in a way that was proving to be damaging to both tenants and the community in Nuneaton. The next stage of the process is to ensure that vulnerable residents are properly rehoused and supported.”

The next stage of the process is to ensure that vulnerable residents are properly rehoused and supported.”

## Knife Crime Awareness

In November, the Nuneaton East and West SNT, shown here, supported a local school with ‘Prohibited Item Searches’, using police search wands.

We are happy to report that nothing alarming was found other than a couple of vapes which have now been confiscated. Supporting schools with this action starts an important conversation amongst students, teachers, parents and police about knife crime and making sure the community and schools they attend are safe places to be.

# BEDWORTH SNT NEWS

## Operation Sceptre

Bedworth SNT have visited over 35 Schools, Shops and Community hubs delivering posters and cards and explaining the initiative to them. The aim was to encourage the anonymous reporting of anyone they know who is carrying a knife so that the police can intervene. (School visit shown on left). **Worried about someone carrying a knife? Ring 101 or make a report anonymously through Crimestoppers on 0800 555 111.**

The picture on the left was taken when PCSO 8851 Marc Lovegrove and PCSO 8526 Tracey Hall, were out as part of Operation Plenty, visiting Alwynne Court, Richmond Village and Arthur Alford residential homes, engaging with residents that are vulnerable and maybe lonely at Christmas.

## Abandoned Vehicles

In October, severe damage brought the attention of officers to this vehicle during routine patrols. It was identified as being abandoned and subsequently recovered for further enquiries. **If you see a suspicious vehicle in your area you can report it online or via 101 to be further investigated.**

## Remembrance Day

Bedworth SNT were out on patrol at the Bedworth Remembrance Day parade, engaging with the public and laying wreaths on behalf of Warwickshire Police.

## Two Minutes Silence

## Youth Engagement Event in Keresley

In November, Bedworth West SNT organised a youth engagement event at the Keresley Community Centre, alongside members of The Reel Rod Squad and Empower-U. The activities included: Boxing Coaching, Dodgeball, Baking and other topics. This was a great means of engagement, and it was brilliant to see so many people turn out for it! The feedback from the young people that attended has been very positive. Thank you to all that came to get involved.

### OPERATION PLENTY

Operation Plenty is our campaign to identify and check on the most vulnerable members of our society. It involves our SNT officers making a point to drop by the homes of vulnerable people in our community for a cup of tea and a chat to check whether they are OK and if there's any further support that can be provided. The scheme is currently ongoing in Nuneaton and Bedworth.

If you know someone in your community, be it a neighbour, friend, or relative, who would appreciate a visit from one of our officers for a cup of tea and a chat, drop us an email and let us know using the email address in the image.

**Please make sure you ask them for their permission first!**
