Alcester Police SNTs. Latest Weekly Report. Sunday 11th January 2026

Based at Alcester Police Station, The Safer Neighbourhood team's primary roles are around crime prevention, problem solving both long standing or emerging issues of community concern and community engagement. We are supported at Alcester by colleagues from Patrol teams whose role is to respond to incidents and investigate crimes that occur in the area 24/7. The SNT is supervised by Inspector Jake Kibblewhite who leads on Neighbourhood Policing for Stratford District and Sgt Ebbs who also oversees neighbourhood Policing in the Shipston on Stour area. The Alcester SNT currently consists of 2 Police officers and 5 Police Community Support Officers, and our contact details are shown above.

Hello all.

This is our latest combined weekly report and prompt to see if you have any questions, suggestions or concerns for the Alcester Police Safer Neighbourhood Teams. Thank you to those that have contacted the Teams this week. If you would like to be removed from this local email circulation list, please let me know asap. This report will also be sent out on the Warwickshire Connected alert system.

For operational and privacy reasons not all the incidents that occur on the Alcester area are listed in this report, although they are recorded on police systems. Please remember to report any anti-social behaviour, suspicious activity or crimes to us as soon as possible - this can be done via the 101 and 999 telephone numbers or if not an emergency via our online reporting forms that can be found on our website. If you have any information or cctv footage that may relate to the incidents listed, please contact us.

This is Neighbourhood Policing

Say hello to your local policing team! - We know that a lot of people don't know who their local policing teams are, so we're shining a light on neighbourhood policing in Warwickshire.

We want to show you where we are, how to contact us, and what we're doing to help.

Our Safer Neighbourhood Teams are based across the county, dedicated to serving our communities. We are working with you, with local authorities, and with community leaders to solve problems and understand what's important to you.

Why does this matter?

We know that collaboration between police and communities is one of the best ways to cut crime and keep people safe. Effective local policing is about more than just fighting crime, it's about building relationships, understanding local concerns and being where it matters most.

Your input helps shape what we do to tackle crime and bring offenders to justice so we're listening - tell us what's important to you.

How do you get in touch?
