Alcester Police SNTs. Latest Weekly Report. Sunday 13th July 2025

Based at Alcester Police Station, The Safer Neighbourhood team's primary roles are around crime prevention, problem solving both long standing or emerging issues of community concern and community engagement. We are supported at Alcester by colleagues from Patrol teams whose role is to respond to incidents and investigate crimes that occur in the area 24/7. The SNT is supervised by Inspector Jake Kibblewhite who leads on Neighbourhood Policing for Stratford District and Sgt Ebbs who also oversees neighbourhood Policing in the Shipston on Stour area. The Alcester SNT currently consists of 2 Police officers and 5 Police Community Support Officers, and our contact details are shown above.

Hello all.

This is our latest combined weekly report and prompt to see if you have any questions, suggestions or concerns for the Alcester Police Safer Neighbourhood Teams. Thank you to those that have contacted the Teams this week. If you would like to be removed from this local email circulation list, please let me know asap. This report will also be sent out on the Warwickshire Connected alert system.

For operational and privacy reasons not all the incidents that occur on the Alcester area are listed in this report, although they are recorded on police systems. Please remember to report any anti-social behaviour, suspicious activity or crimes to us as soon as possible - this can be done via the 101 and 999 telephone numbers or if not an emergency via our online reporting forms that can be found on our website. If you have any information or cctv footage that may relate to the incidents listed, please contact us.

Incidents of a public interest from the last week: -

BIDFORD

Vehicle Crime. Saxon Fields car park. Two white males in a small white van pulled into the car park and replaced one of their registration plates with a plate off a car in the car park. 12.20am Sunday 6th July. 0321 06/07/2025

This newsletter is not intended to record a comprehensive list of every reported crime in the area but includes crimes and incidents that the local community should be aware of. Staying vigilant and working together with the police and your local community keep crime out of your area.

SAMBOURNE

ASB Jill Lane / Astwood Bank border. Group of about 11 young males heard shooting pellet guns at buildings. 5pm Saturday 12th July. 0325 12/07/2025

STUDLEY

Theft. Green Lane. Black and red Kubota digger stolen from field. Between 4th & 8th July. 0100 08/07/2025

Celebrating Excellence

We're launching the Warwickshire Police Excellence Awards to recognise the outstanding contributions of people across the force in the last year. There are awards for police officer of the year, police staff of the year, student officer of the year, police and community support officer of the year, volunteer of the year, local policing team of the year, inspirational leadership, excellence in innovation, team of the year and unsung hero.

Nominations are judged by an independent panel of people taken from all ranks, teams and departments. In the force, anyone can nominate the colleagues who they feel deserve recognition. We're also asking for input from the people we serve across the county.

Who have you seen in local policing teams and community groups who have gone above and beyond to help make Warwickshire a safer place? Do you know a local policing team who has changed local policing, working with residents and partners, improved performance and driven prevention? Or do you know individuals or community groups who have made a difference across Warwickshire?

Police and Crime Commissioner for Warwickshire, Philip Seccombe, said: "I am in the incredibly fortunate position to be able to hear about some of the incredible things police officers in Warwickshire are doing on a daily basis to keep people safe. The Excellence Awards provide the opportunity for us to publicly recognise their bravery and commitment, which often goes unnoticed.

"I am particularly proud to present the Police and Crime Commissioner Community Award, recognising individuals and groups out in our local communities who are making a difference. If you know of anyone who supports their town or village, please get in touch and nominate them today. I look forward to reading the many worthy examples of how we are making Warwickshire a safer place for all."

Deputy Chief Constable David Gardner said: "Every day I see and hear examples where we help people at the time they need us most, or where someone has gone over and above to support our communities. The Warwickshire Police Excellence Awards are our opportunity to recognise and celebrate our people and we genuinely value nominations from members of the public on the people who have made the most difference to you."

We're inviting members of the public to submit their nominations for the people and teams they'd like to recognise. Find out more on our dedicated webpage: Excellence Awards 2025 | Warwickshire Police and nominate online via: <https://forms.office.com/e/hWYzK3rVgP>

The closing date for nominations is Thursday 31 July. Awards will be presented in October 2025, and we'll happily share the stories of our award winners so you can help celebrate their contributions.

Hot weather home security

With the hot weather we're reminding people to keep their homes secure.

In the summer months, unfortunately we do tend to see an increase in burglaries. With doors and windows often being left open, this can present an easy target for thieves.

Here are some simple steps you can take to help protect your property:

- Close and lock all windows and doors before going to bed or leaving your home—even for a short time.
- Use window restrictors that allow ventilation without allowing full access.
- Install motion-activated lights or smart lighting around entry points to deter intruders.
- CCTV or video doorbells can act as both deterrents and valuable evidence.
- Check garden gates and sheds—ensure they are locked, and tools are out of sight as these can be used to gain access to your home.
- Be a good neighbour. If you see anything suspicious, report it to us immediately.
- Find out about property marking schemes such as Smartwater. If an item is marked it will be much harder for a thief to sell on. Also, if recovered, stolen items can then be returned to their rightful owner.

Let's work together to keep our community safe. If you have any concerns, please contact your local neighbourhood policing team.

In an emergency, always call 999. For non-emergencies, call 101 or report online.

This newsletter is not intended to record a comprehensive list of every reported crime in the area but includes crimes and incidents that the local community should be aware of. Staying vigilant and working together with the police and your local community keep crime out of your area.

Checklist for securing your home when you leave it.

It's vital to leave your home secure whenever you leave it. Getting into an 'exit routine' can help ensure that you don't forget obvious, important things, like not leaving your valuables near windows, or no lights on if it will be dark before you get home. Here's what you should do just before you go out.

Become a creature of habit.

Try to get into the habit of following your own course of action when you lock up your home. This will ensure that you don't forget anything.

Here's what we recommend you do before you go out:

- close and lock all your doors and windows, even if you're only going out for a few minutes.
- double lock any door
- make sure that any valuables are out of sight.
- keep handbags away from the letterbox or cat flap and hide all keys including car keys, as a thief could hook keys or valuables through even a small opening.
- never leave car documents or ID in obvious places such as kitchens or hallways
- in the evening, shut the curtains and leave lights on
- if you're out all day, then it's advisable to use a timer device to automatically turn lights and a radio on at night.
- set your burglar alarm.
- make sure the side gate is locked.
- lock your shed or garage.
- lock your bike inside a secure shed or garage, to a robust fitting bolted to the ground or wall, like a ground anchor.

Going away? - Here are five tips to help you keep your home and belongings stay safe while you're away:

- if you're off on holiday and wish to post anything on social media, make sure your posts aren't public and that they're only seen by your friends.
- leave lights and a radio on a timer to make the property appear occupied.
- get a trusted neighbour to keep an eye on your property or join a Neighbourhood or resident Watch Scheme
- consider asking your neighbours to close curtains after dark and to park on your drive.
- remember to cancel newspaper and milk deliveries.
