NUNEATON NEWS

A Nuneaton gang that stole more than half a million pounds worth of vehicles from Warwickshire and Coventry Staffordshire and Leicestershire have been jailed for a combined total of more than 14 years. The stolen vehicles were either broken down for parts or the offenders used a sophisticated process to change the identification of the vehicles, selling them on to unsuspecting buyers who had no idea they were stolen. Detective Constable Jack Maguire from Warwickshire Police, who led the investigation, said: "This gang travelled around the region brazenly stealing these vehicles."

On the 7th January, the Nuneaton SNT East and West teams recovered a stolen bicycle from Camp Hill. This was found to be related to a Robbery that had occurred in the Town on the 3rd January. A suspect was then identified for the offence and was dealt with accordingly by the officer in charge. The ownership of the bike was then verified and it was returned to its owner, who had only just got it as a Christmas present.

Knife Amnesty. Nuneaton and Bedworth Safer neighbourhood Teams organised the knife amnesty in November and it was very successful, with 43 knives handed in. Another 4 knives were located by Officers or called in by members of the public. A selection of the knives handed in are shown in the picture.
